

Bidding for a Good Cause - NAPBS Silent Auction

NAPBS will hold a silent auction during the Exhibit Showcase of the Mid-Year Meeting on Sunday, October 12, 2010, from 6:50-9:30 p.m. The auction is being organized by a recently formed sub-committee of the Government Relations Committee, the Ad-Hoc Group Subcommittee, and proceeds from the silent auction will be allocated to the NAPBS Public Policy Fund. This fund, originally set up in February, exists so that NAPBS can lend financial support, where it is deemed appropriate, to legislative issues that pose a serious threat to the background and tenant screening industry.

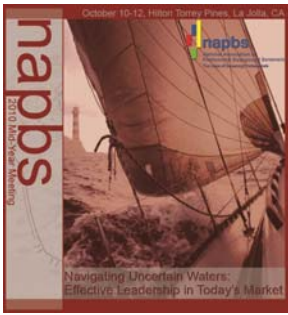

Because the issues are too vast for any single entity, NAPBS has formed a subcommittee to work with other affected parties – law firms, lobbyists, individuals, companies and associates, to respond to these governmental initiatives.

This new subcommittee, in conjunction with the Government Relations Committee and the Board of Directors, anticipates that there will continue to be a number of issues to address, and financial support will be needed for those efforts. The Silent Auction is our first fundraising event, and we are asking for your help.

The Board feels strongly that it is the responsibility of the association to participate on behalf of its members. However, it is also important that every member understand the potential impact and take a stand. Please consider making a donation to this worthy cause. You can participate in the Inaugural Silent Auction by donating an item for the Auction, and also by bidding during the Auction on Sunday, October 10, 2010, in conjunction with the Exhibit Showcase and Reception.
